HELP US SUPPORT OUR COMMUNITY

We are living through unprecedented times. The pandemic impacts us all but for some it is far more devastating than for others. The Marine Industry has generally held up better than many others and our board, led by Bill Golden of Golden Boat Lifts is sending out a challenge to the marine industry. We cannot forget our neighbors who are in greater need and we hope our industry will help.

The Community Cooperative is a Lee County based food cooperative that is working tirelessly to deal with the long lines we have all seen at food distribution centers throughout our community. Bill Golden is passionate about this organization because they directly support local residents in need.

OUR GOAL -- RAISE \$35,000.00!!

This will provide food kits for a family of four plus! 350 kits per day for ten days, 3,500 total kits feeding 14,000 hungry people!!! Golden Boat Lifts and SWFMIA/TBMIA have each pledged \$3,500.00 and with contributions from other members we are already 50% of the way towards that goal.

Let's show our community that the marine industry cares
